Gurnee	0.3	30.6	Oak Lawn	2.1	29.5	Yorkville	3.3	34.0

A storm system moving across the southern Midwest brought moderate to heavy wet snow to northern Illinois. Heaviest amounts on grass and cold surfaces ranged 3 to 6 inches in many locations. On pavement accumulations were significantly less due to temperatures above freezing. Snow amounts diminished to just a few tenths of an inch near the Wisconsin border. Air Temperatures were in the low to mid 30s during the snowfall. Meteorologist: Tom Piazza, CCM
